

SOUTHERN CALIFORNIA HEALTH AND HOUSING COUNCIL

mission statement

to eliminate childhood lead poisoning and
other environmental hazards to promote
healthy living and healthy housing

who we are

a diverse and
culturally competent
network of experts,
educators, health
and housing
professionals,
advocacy groups,
CBOS/NGOS and
community members

what we do

- hold interesting, engaging, meaningful, fun and productive meetings where we hear from experts and share our expertise
- advocate for, support and build power and leadership in low income and underserved populations
- provide leadership, guidance, resources and assistance in the implementation of grants and programs that achieve our mission
